Committee for the Japanese Clinical Practice Guidelines for the Management of Sepsis and Septic Shook 2020 – Members' names, workplaces, conflicts of interest (COI), and roles

[policy of COI disclosure

• The Japanese Society of Intensive Care Medicine and the Japanese Association for Acute Medicine submitted this COI disclosure jointly, based on the same policy issued by the Japanese Association of Medical Sciences.

·Both groups used the modified submission format provided by the Japanese Association of Medical Sciences.

n accordance with these guidelines, organizations are only required to disclose COI that relate to associated companies or for-profit organizations as financial COI

•We asked all members to submit their financial and academic COI for the past three years (2017, 2018, and 2019), in accordance with the current policy, shown in the last table.
