

ICEM2025

24th International Conference on Emergency Medicine
Montreal Canada, May 24 - 28

Dear Colleagues,

Planning is well underway for ICEM 2025, taking place in Montreal, QC, May 24-28, with pre-conference workshops on May 23 & 24.

We are looking for dynamic **Speakers** with cutting edge expertise for the various tracks. We are also seeking innovative content for the educational **Marketplace** and **pre-conference workshops**.

If you are interested in speaking at ICEM 2025, providing a pre-conference workshop, or Marketplace content, please follow this [link](#) or visit the [ICEM 2025 website](#). The deadline for submissions is **October 20, 2024**.

ICEM 2025 Concurrent Tracks include:

Global EM	Environment and its Challenges	Leadership and Wellness
Equity, Diversity, Inclusivity, and Accessibility	EMS	Geriatric EM
Resuscitation, Trauma, and Critical Care	Medical Education and Lifelong Learning	Drugs and Doses: Toxicology and Addiction
Hard Core EM – Just the Facts	PoCUS	Quality Improvement and Patient Safety
Pediatric Emergency Medicine	Rural Emergency Medicine	Digital EM and Tech Innovation
Disaster	French Track	

Please forward to any interested speakers and workshop organizers. Further conference information can be found at <https://www.icem2025.com>.

We look forward to hearing from you!

Judy Morris and Paul Pageau, Scientific Co-Chairs, ICEM 2025
